Prince Valiant is a beautiful bay quarter horse, foaled in 2005. He is a PMU baby, and arrived with his dam, who stands 15.2 hands, from Canada this past December. A highly intelligent horse, Valiant is friendly but discerning. He has perfect conformation, a gorgeous head and displays good energy. He is a true show horse prospect and is looking for an experienced and loving adoptive home. He can be registered with the National PMU Registry. Come see this charming colt! Call Karen at Equine
