Adopt A Horse

Frankie is an adorable sorrel-and-white tobiano paint colt. A yearling, Frankie was foaled in Canada. He arrived at Equine Voices Rescue & Sanctuary last winter with a PMU mare. Frankie has great markings and two gorgeous blue eyes. He is halter-trained and learning to lead. A very willing young horse, Frankie is eager to please and has a very sweet temperament. This colt will make a great trail horse for that special person who gives him a loving home. He can be registered with the National PMU Registry. Call Karen at Equine Voices Rescue & Sanctuary at 398-2814, e-mail info@equinevoices.org for further information or an appointment to meet Frankie, along with other horses seeking adoption.
