

Equine Voices Rescue and Sanctuary

Equine Voices Rescue and Sanctuary is a 501(c)3 tax-exempt organization dedicated to saving Premarin (PMU) mares and foals from slaughter. We are a voice for the many equines that cannot speak for themselves, working to end horse slaughter in America.

Through education, we are confident we can enlighten the public about the horrors behind the Premarin industry and horse slaughter, and be a catalyst for change so these noble animals may finally live a life without abuse, pain and suffering.
