**Amado**

Amado is a handsome, 4-year-old  
draft cross gelding. He is friendly,  
loves people, has wonderful  
ground manners and has great  
potential as a riding horse.  
This capable guy is ready to start  
training to ride. Picture yourself  
riding Amado on the trail!

**Denali**

Denali is a 1 1/2-year-old black  
and white, draft/paint mare.  
She is a PMU foal who came from  
Canada. Denali is getting used  
to people, is very intelligent and  
has a quiet demeanor. She'll be  
a beautiful, sturdy girl when  
full grown, and would make a  
great addition to any family.

**Savannah**

This tiny buckskin mare is  
approx. 4 years old and was found  
wandering near a highway in  
Sept. 2008. She is quiet, easy to  
work with and very bright. Savannah  
needs training to be ridden but is  
well on her way to being a great kid's  
horse. She's the type of horse you'd  
want your child to grow up with.

**Leyla**

With two blue eyes and a curly  
mane, Leyla is a real looker.  
She is a PMU foal who was born  
in Canada in Spring 2009.  
A black and white paint, Leyla is  
quite curious, is getting used to  
human attention and has been  
halterered. She's sure to catch the  
judge's eye in the show ring!
