Bobby Sox is a gorgeous 3-year-old strawberry roan quarter-horse filly and a PMU mare rescued from Canada. She is 14.2 hands, with nice conformation, a beautiful head, gorgeous coloring and four white socks. She is halter-trained and leads well. A friendly and responsive mare, she is also curious and confident. Bobby Sox could possibly do well at barrel racing, gymkhana or another competitive sport. She is looking for a loving home with an experienced owner or one willing to work with a trainer. Her adoption fee is \$1,400.
